## DEDICATION

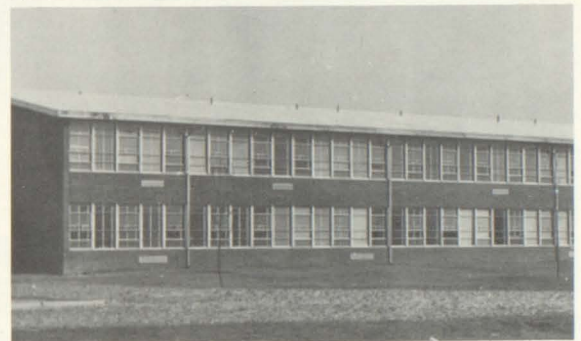

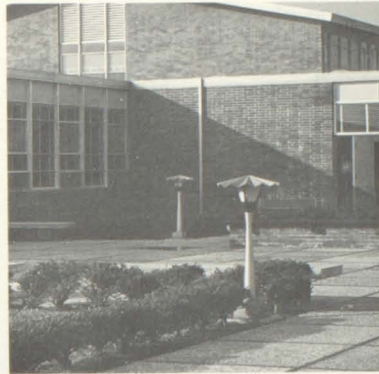

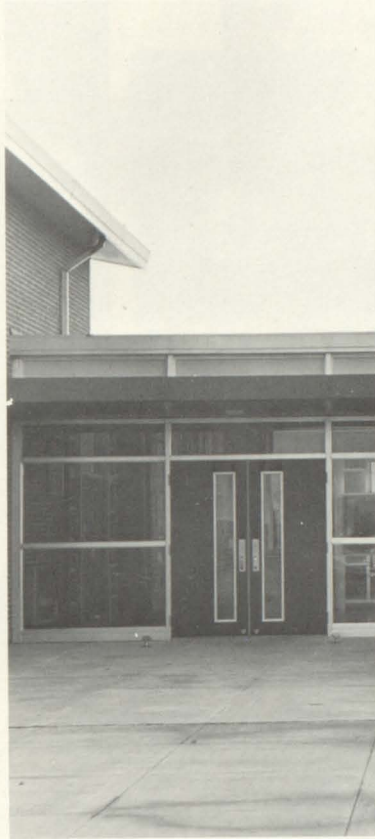

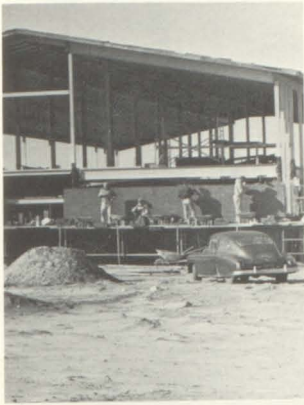

As the first graduating class of James M. Bennett High School, we feel it is most fitting to dedicate this, our first yearbook, to the man for whom our school was named—James Mitchell Bennett.

As a talented and far-sighted administrator, Mr. Bennett recognized the need for better schools and better teaching. His long career, spanning a 40-year period, was devoted to improving the educational process in our county, and the fine schools stand as a tribute to the outstanding efforts of this former superintendent.

We are proud that our school bears the name of so fine an educator. As we set forth, we take greater pride in dedicating this book to a man who was genuinely concerned with the future of all students, James M. Bennett.

# OUR FIRST VOYAGE

Our voyage began in 1962 . . .

we doubted, we feared.

The unknown lay before us—

and our ship sailed in unfamiliar seas—

but our course was true.

At times, we lost ourselves in heavy seas . . .

the changing winds carried frustrations, disappointments—

the port seemed far off . . .

but—our crew was determined.

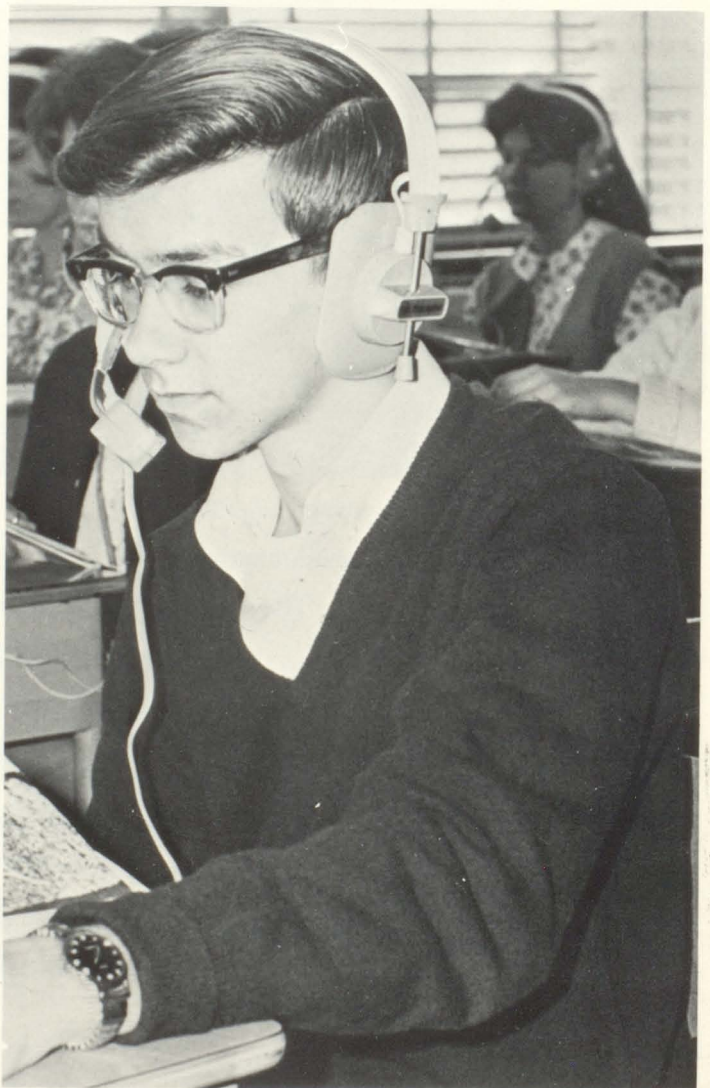

We pushed ahead full sail . . .

## PLAYING . . .

WINNING . . .

LOSING . . .

BEGINNING . . .

ENDING . . .

Now, our journey nears its end . . .

the log is almost complete.

With joy—and yet regret—we sight journey's end . . .

the trip was good, but it can never be taken again—

We must sail on.

# PRINCIPAL'S MESSAGE

CARL W. DUMIRE

You, the members of the Class of 1966, have had experiences which are most unique for high school students. Being the top class in a new school for three straight years has enabled you to exert a great influence on the destiny of this institution. You have helped to define our goals and chart the course for future classes to follow. Your willingness to give unselfishly of your time and talents, your excellent leadership qualities, and your desire to serve, have played a major role in our efforts to make James M. Bennett Senior High School an outstanding school.

Now that you are leaving us, I wish you well. I sincerely hope that your experiences at this school will enable you to solve the problems of adult life. If you will but meet these problems with the same vigor and zeal with which you have met the problems of the past three years, I have no fear for your future success.

I extend my sincere congratulations on your graduation, and wish for each of you a long, prosperous, and happy life.

*Carl W. Dumire*

Carl W. Dumire, Principal

## VICE-PRINCIPAL W. LEE HAMMOND

As the first crew of the James M. Bennett *Clipper* is discharged, I would like to assure them that they have done much more than simply serve their time. Their unselfish devotion to their classmates and their school will serve as a shining beacon for classes to follow.

This, the year of the first Senior class, has been one during which we have seen spectacular success and occasional failure, both of which have served to unite the student body and to create a spirit and camaraderie that should endure well beyond graduation day. I know that you are proud to have had a large part in developing the tradition and spirit so necessary to a good school.

Perhaps the best compliment that anyone could pay to your class would be: "They got the job done." May it always be so.

*W. Lee Hammond*

# THE LOG OF THE CLASS OF '66

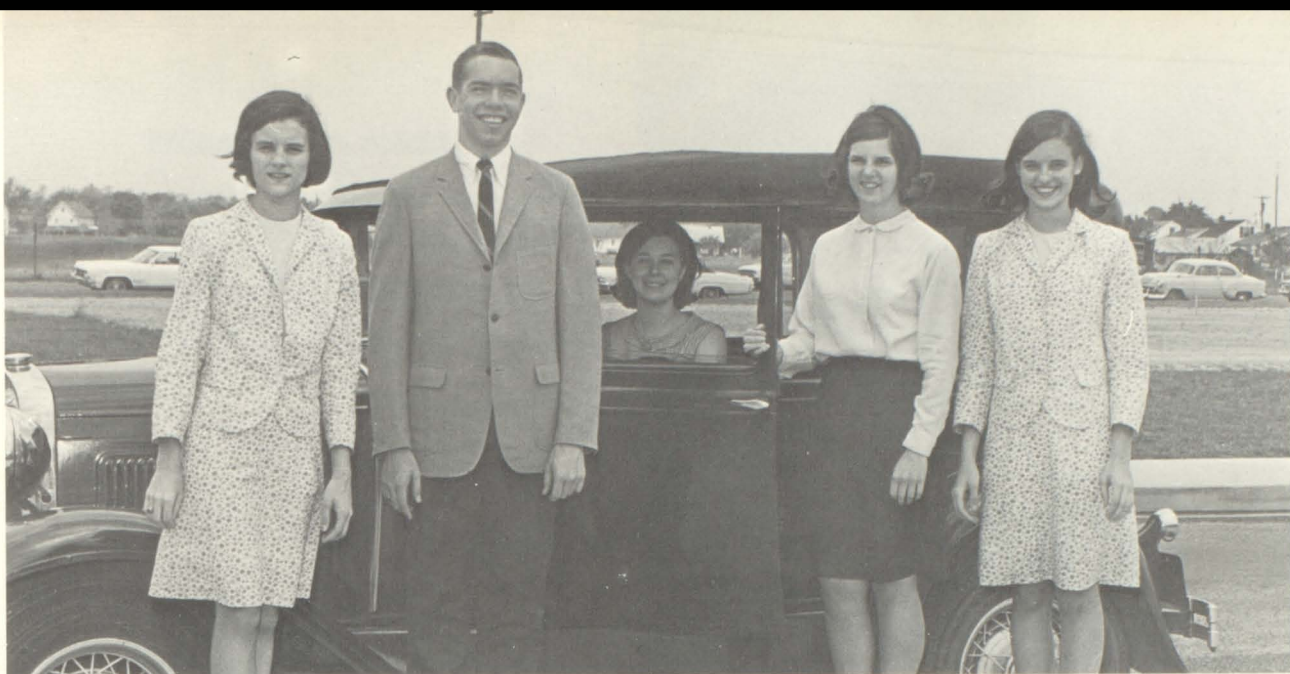

On September 5, 1963, 187 Sophomores entered James M. Bennett High School with one goal—to succeed. Being the first graduating class, we started traditions, originated clubs, and led in athletics. The class quickly elected Student Council, class, and homeroom officers. Our first Student Council President was George Blankenship, with Karen Vickers as Vice-President; Glenda Smack as Secretary; and Joyce Franey as Treasurer. Joanne Stewart was elected class President. The office of Vice-President was held by Pat Bernstein; Secretary, Esther Simms, and Treasurer, Patti Grier. Mr. James Farley and Mrs. Mary Wertz served as class advisors to help us in our three years at Bennett. The first class project was the sale of Bennett stationery. Our first "Christmas Miss", Lynn Copony, reigned over the Holly Ball, with Elaine Farlow, attendant.

Returning in September as Juniors, we felt more confident of ourselves and were ready to continue. The year's Student Council was led by Chip Dashiell, with Jeanne Stewart, Vice-President; Mary Ruhl, Secretary; and Donna Faw, Treasurer. The class elected as President Lynn Copony; Vice-President, Brenda Banks; Secretary, Elaine Farlow; and Treasurer Joyce Franey. The *Log* staff with Becky Dunn and Susan Carey, co-editors, published the school newspaper. Selling decals was the Junior Class project. The Harvest Hop Queen was Gail Brown, with Lynn Copony, attendant. Joanne Stewart was crowned "Christmas Miss," with Nancy Broyhill as her attendant. After many weeks of diligent preparation, the Junior Class play, *I Remember Mama*, was presented. March 12, 1965, marked the day we had long awaited—we received our class rings to identify us as students of James M. Bennett Senior High School. Twenty-three members of the Junior class were inducted as charter members of the National Honor Society. Our Junior year ended with the Junior Class trip to Williamsburg and the Junior Banquet. It had been smooth sailing for another year.

Another September arrived, but this one was different—we were Seniors!!! We made our final decisions on Student Council officers. They were: Bob Harris, President; Elaine Farlow, Vice-President; and Warren Smith, Treasurer. Chip Dashiell, Jeanne Stewart, Joanne Stewart, and Donna Faw were elected class President, Vice-President, Secretary, and Treasurer, respectively. Esther Simms was chosen class Historian. We proudly welcomed Berit Wasenius, our first exchange student. The class selected the following symbols: colors, jade and ivory; flower, yellow rose; song, "Try to Remember;" and motto, "With sails full set, we await the wind." Mary Ann Loreman, attended by Berit Wasenius, reigned as Harvest Hop Queen. Sharon Fritz was crowned "Christmas Miss" at the annual Holly Ball; Brenda Banks was her attendant. The Senior Class displayed its school spirit by winning the Spirit Ball for best attendance at football games. The class entered a float in the Christmas parade and received first prize. As Seniors, we entertained at the January P.T.A. program and sponsored a faculty banquet. Seniors placed a red carnation on each teacher's desk to mark his birthday. A flag representing James M. Bennett Senior High School was designed by Seniors and was presented to the school. The Senior Class presented a comedy, *The Egg and I*, in December. As the year passed, ten more Seniors were inducted into the National Honor Society. The Seniors sponsored a Ring Dance for the Junior Class. In return, the Juniors honored the Seniors with the Junior-Senior Banquet. New York was the site of our Senior Class trip in April. Mary Ruhl and Lynn Copony were co-editors of the *Voyager*, Bennett's first yearbook. The Prom and Senior awards gave us the first feelings that the year was drawing to an end. Our three years of trials and tribulations were ended by Baccalaureate and Commencement. We spent our last moments together as a Senior Class at the Graduation dance, sponsored by the parents. Regardless of the paths we may travel in life, we will always have one thing in common—a sincere allegiance to our Alma Mater and to each other as members of the CLASS OF '66.

# ANOTHER FIRST: BERIT

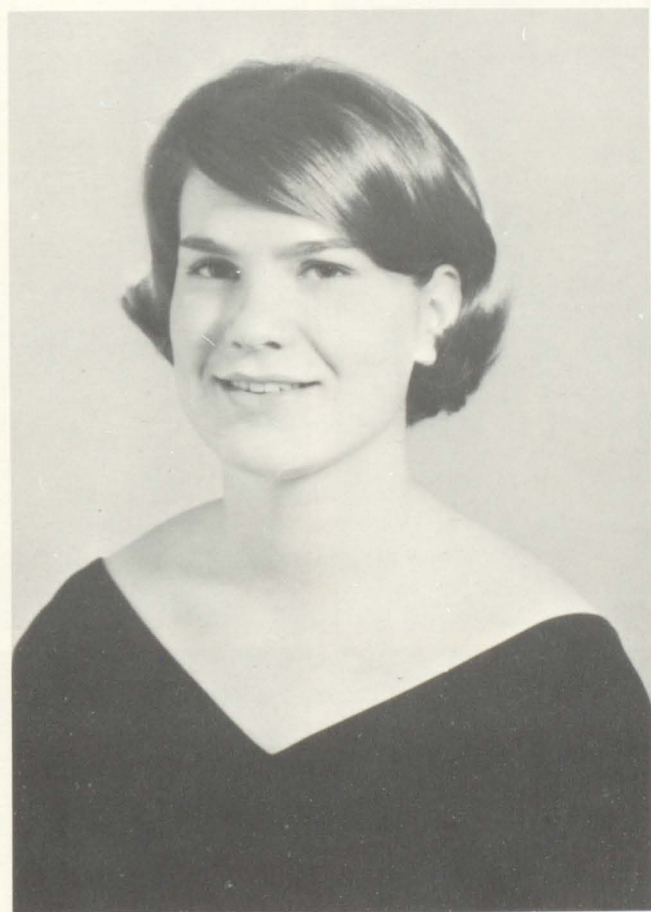

An excellent French student.

"Lingery Lady" of *The Egg and I*

An old costume in a new school.

The school year 1965-66 was one of firsts for the students at JMB, and in keeping with this, we welcomed our first American Field Service student. Her name was Berit Wasenius, a high school student from Helsinki, Finland, and she won the hearts of the student body from the first. As the confusion of her first weeks in a new and entirely different school gradually subsided, she became "one of us." Although she has gone back to Finland, taking with her the hearts of the students of Bennett, she has left us a lasting memory of a wonderful girl.

FIRST ROW: Glenda Smack, Bonnie Meyers, Marsha Harrington, Susan Carey, Margaret Scholl, Brenda Banks; SECOND ROW: Mary Ruhl, Mary Riordan, Carol Johnson, Mary Lou Manis, Sara Ritchings, Jeanne Stewart, Lynn Copony; THIRD ROW: Bob Crawford, Dana Malone, Buck Jones, Phil Taylor, Greg Stein, Chip Dashiell, Bruce Dashiell.

... all these things and more we remember. The work on Junior activities has prepared us for our all important Senior year, for we gained the experience necessary to take over the responsibility left to us by the Class of '66. And surely the pride we acquired through our work this year will carry us through to the successful completion of our biggest year. With all this in mind, let us work to fulfill in our Senior year the promise we have shown as Juniors.

The Spirit of '66 is passed to the Class of '67.

The Sophomore year is a very decisive one. Students must adjust themselves to the rigorous demands of high school. Leaders must step forward to guide their classmates to success. And, most important, the class itself must set its aims and goals for the next two years. The Clippers should be proud of the Class of 1968 . . . for, indeed, its members have become a valuable asset to JMB.

The class council is always on the go.

# ANOTHER SEPTEMBER

A hot time in the old house!

Work it out!

Snowy Finland—sandy Salisbury

Annually, upon their return to school in the fall, Bennett students hold a Back to School Dance. This year's dance on September 10 held an unexpected surprise. A small fire broke out in the vocational wing, causing first alarm, then delight. When the fire engines appeared, it was discovered that the fire was only minor, with more smoke than flame. As the firemen left and the crowd dispersed, students resumed their dancing. But Bennett students will long remember their warm welcome back to school.

Summer memories fade . . .

In early September, the student body officially welcomed its first exchange student, Berit Wasenius, from Finland, at a tea held in her honor.

# HARVEST HOP

MARY ANN LOREMAN

County stadium was the place, and halftime of the Bennett-Cambridge game was the time for the coronation of Senior Mary Ann Loreman—the second annual Harvest Queen. Mary Ann was crowned by Gail Brown, last year's Queen. The Queen's court included: Senior attendant Berit Wasenius, Juniors Terry Hitchens and Sharon Cannon, Sophomores Susan Mann and Marian Thompson, and Freshmen Sallye Dickey and Sharon Lowe. The girls were nominated from the school at large, with the members of the football team making the final selection.

# MASC CONVENTION

Rockin' at the Showboat.

After a hard day's Convention.

A black and white photograph of a large, arched building, likely a convention center. In the foreground, a large sign on a stand reads "maryland association of Student Councils" and "seventeenth convention". Below the main text, it says "OCTOBER 1964, A. A. S. C. National, Maryland". To the right of the text is a logo featuring a torch and a book. Three cars are parked in front of the building: a dark convertible on the left, a light-colored sedan in the middle, and a light-colored sedan on the right. The building's archway has the words "CONVENTION CENTER" visible at the top.

[illegible]

arranged transportation for the delegates. Bob Harris planned the general assemblies which were presided over by Joi Langstaff, who also served as convention chairman. Bennett's Becky Parker served as secretary for the state organization.

Discussion group chairmen came from many state high schools; Bennett supplied four of these: Chip Dashiell, Elaine Farlow, Donna Faw, and Bob Harris. Bob and Elaine were also voting delegates, as were George Blankenship, Joyce Kamanitz and Warren Smith.

During the convention, delegates attended discussion groups, general assemblies, and business meetings to discuss problems, learn new ideas, and elect officers for the coming year.

# THANKSGIVING DAY

Happiness is winning the Turkey Day game. For three years, Bennett had looked forward to Thanksgiving '66—the day when the Clippers would prove themselves to the city of Salisbury. After two years of playing Varsity football under the label of "Little Jimmy Bennett", the Clippers scalped Wi-Hi 20-0. With the ball carriers grinding out the yardage under the protection of the linemen, the Clippers sailed down the Wicomico County Stadium field to a decisive victory.

Ah—the pause that refreshes!

Anxious moments . . .

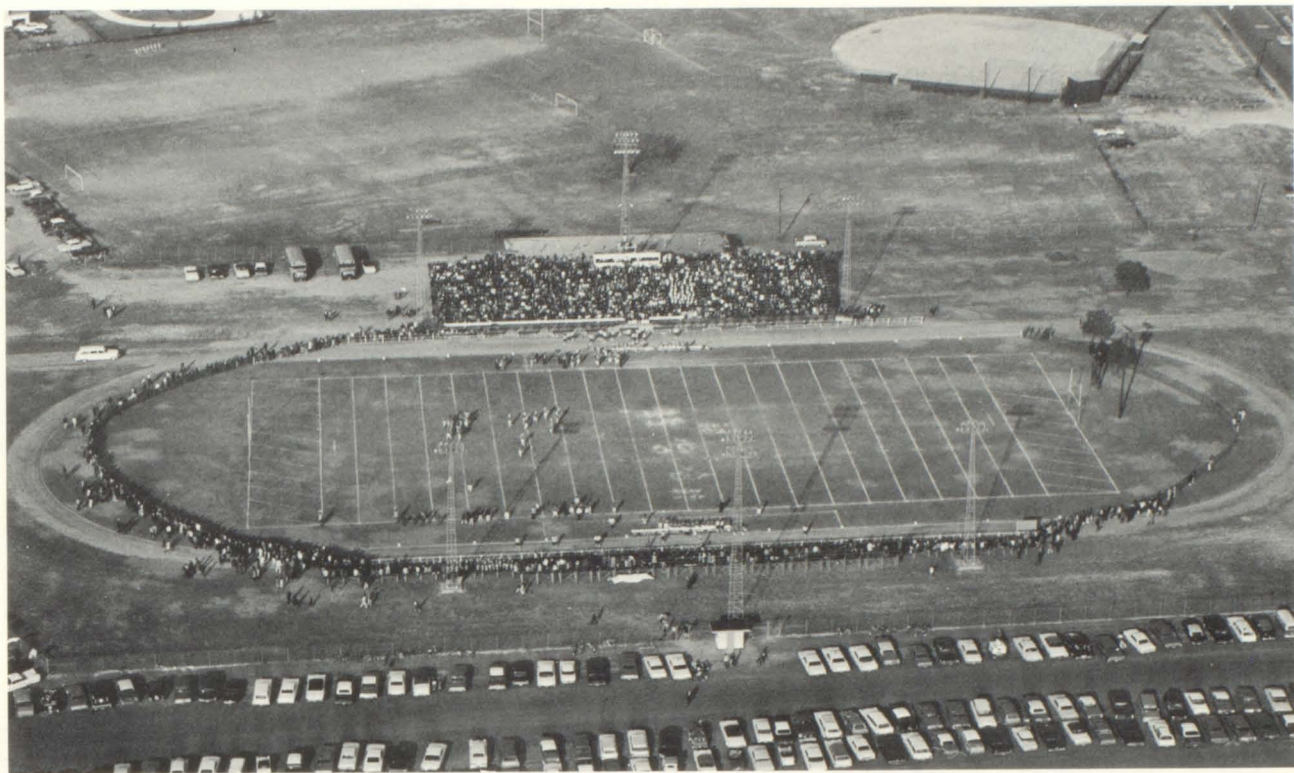

Malone makes it 20-0!!

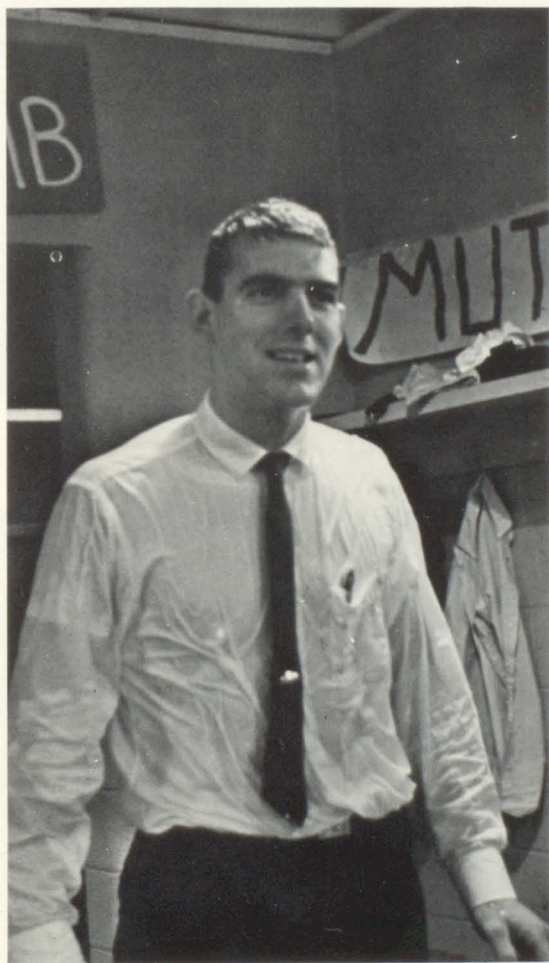

Another wet coach.

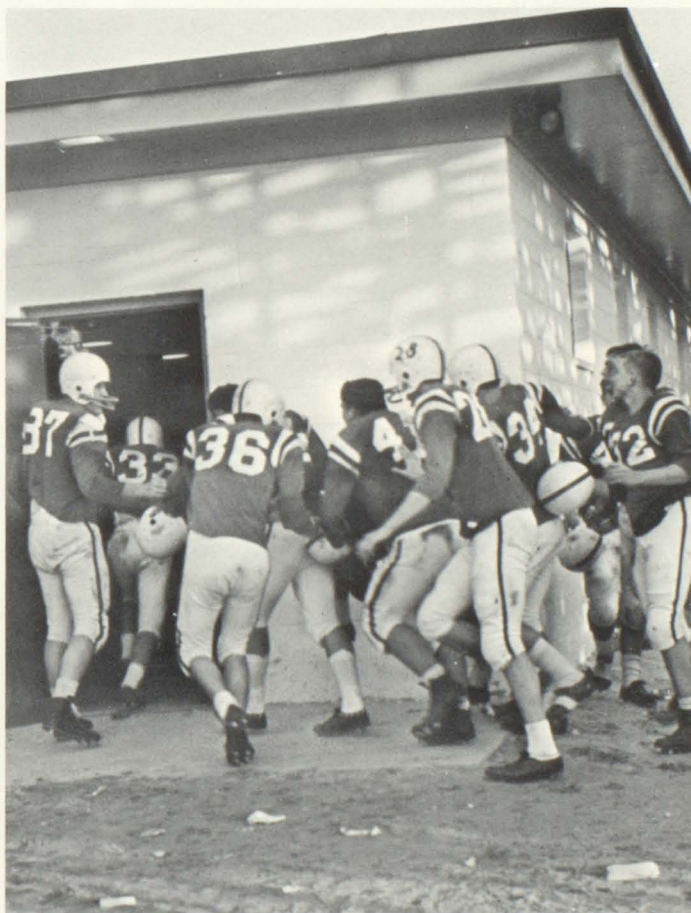

The day of decision at Wicomico County Stadium.

Cool shower after a hot game.

A victorious team hits the showers—and the coaches!

# WINTER

After much hard work and lots of fun, the Senior class float was finished. To the delight of Mike Fisher and his staff, the float won first prize in the Christmas Parade.

An impressive tradition was inaugurated by Bennett's first seniors at the January PTA meeting. In a review of the class history, the high points and memories of the past four years were portrayed by the Seniors.

Next, in the darkened cafetorium, came the highlight of the evening—a candlelight service. Members of the class filed in to the strains of the class song, "Try to Remember," lighting the small candles they held from a larger one, signifying the undying spirit of the Class of '66.

Cindy is our shepherd . . .

Five days worth!!

A Clipper first.

## HOLLY BALL

The winter holiday season opened with the flourish of the third annual Holly Ball. The setting was Bennett's own Peppermint Lounge, and refreshments were served to thirsty dancers in the Holly Hut.

The highlight of the evening was the crowning of this year's Holly Ball Queen, Sharon Fritz, by last year's queen, Joanne Stewart. Sharon's attendants were Berit Wasenius and Brenda Banks of the Senior class, Juniors Terry Hitchens and Paula Hishmeh, Brenda Townsend and Donna Kamanitz of the Sophomore class, and Freshmen Kathy Hause and Sallye Dickey.

Ah—dancing with no shoes!

"I'm not old enough?"

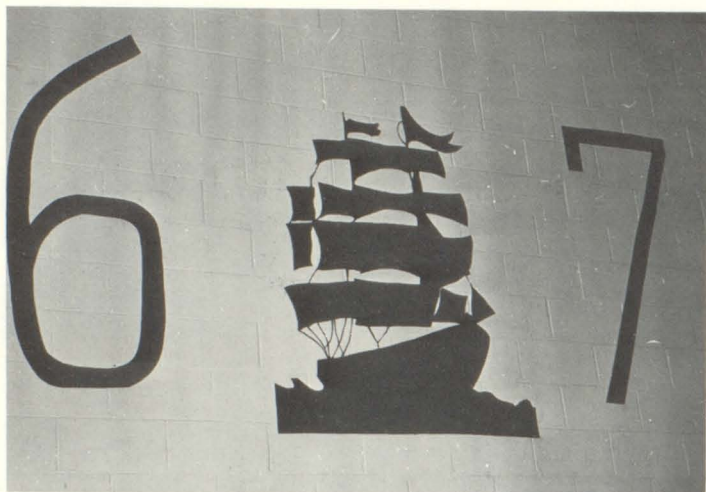

Christmas Miss and her court.

# RING DANCE

Another Bennett tradition was established in 1966 when the Seniors sponsored a Ring Dance in honor of the Juniors, who received their class rings. The South Sea Island theme centered around a treasure chest containing a giant Bennett ring. Tying in with the theme were clipper ships and '67 signs on the walls. Music was provided by the Chevelles.

## FAIR EXCHANGE

Is he or isn't he? This was the question around which the Junior class play, *Fair Exchange* by Kurtz Gorden, revolved. This production, directed by Mrs. Barbara Hughes, deals with a student exchange affair dreamed up by an overly romantic school teacher. Doubt arises as to the identity of one of the exchange students and is confirmed when he abducts his date to the prom. Thanks to the police, a courageous boyfriend, an irate father, and a curious sister, all ends well.

You want my hair how long by opening night?

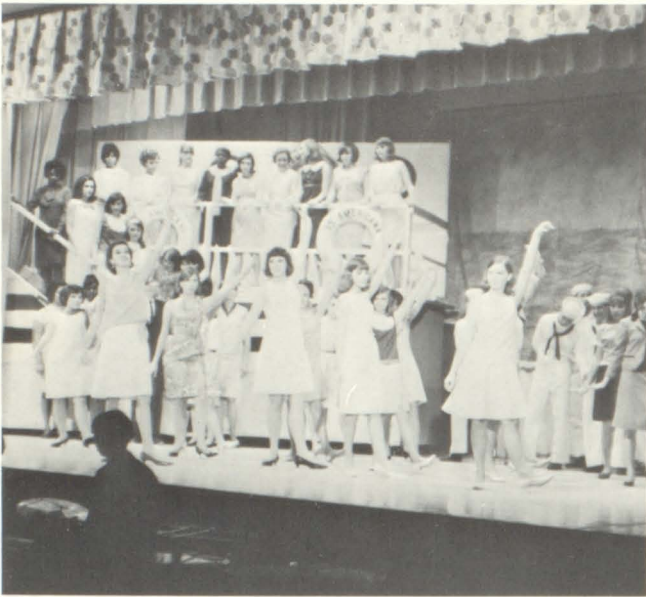

How romantic.

Well, my dears . . .

# ANYTHING GOES

# INAUGURAL BALL

Dancing under a pink and white canopy of crepe paper to the music of The Coachmen, students attended the annual Inaugural Ball, which was held in honor of the present and newly-elected class and Student Council officers. Colorful merry-go-round horses on the cafetorium walls and a streamered doorway added to the gay theme of Carousel. The concession stand, in keeping with the general theme of the dance, featured a cafe under yellow crepe paper and daisies.

Tired, George?

The Coachmen put down a mean sound.

Let there be light!

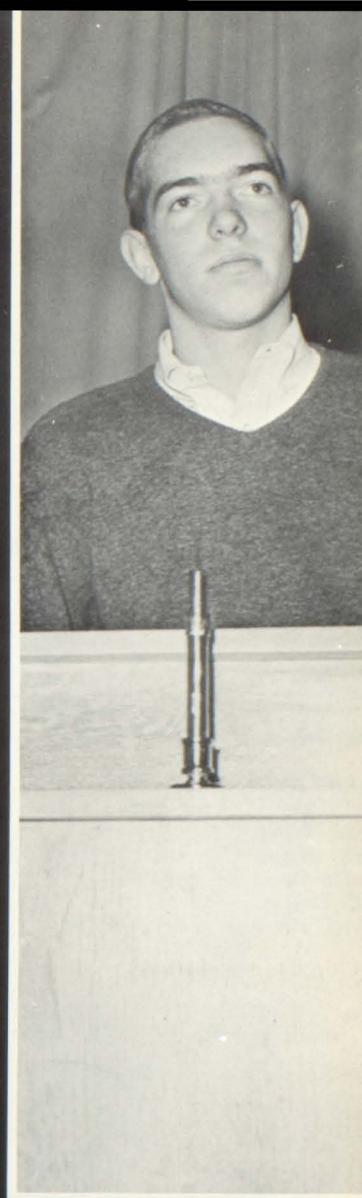

This isn't class business.

## STUDENT COUNCIL

The Bennett High Student Council found smooth sailing during 1965-66 under the steady guidance of President Bob Harris. With his able crew, Vice President Elaine Farlow, Secretary Joyce Kamanitz, Treasurer Warren Smith, and Parliamentarian Mary Lou Smoot, and hardworking committees, the Student Council made headway in sponsoring many valuable and worthwhile projects, dances, and other school functions. The drive and enthusiasm in the "Help Randy Campaign" was high as the student body donated clothing for an impoverished family in Kentucky in exchange for Christmas greenery. The Student Council Constitution was revised to apply to a Senior high school and was passed by the Student Body. With money raised from collections in the homerooms the Student Council took on the responsibility of adopting a foster child from Asia. Packages were sent to American soldiers and orphans in Viet Nam and plans were made to sponsor a safety billboard. Mr. John Clinton and Mr. Mahlon Trout were the advisors.

## THE LOG

The first issue of *The Log* appeared in 1963 under the direction of Mrs. Elizabeth Connor, advisor, and Susan Carey and Becky Dunn, co-editors. From its beginning to the latest issue, *The Log* has served as a liaison between the students and the school. Besides providing students with news of Student Council, club, and general school functions, the paper includes many special features. Among these are the editorial cartoon; the "News Cap-  
sule," a summary of current news; "From the Principal's Desk", an advisory note from Mr. Dumire; "Spotlight on Campus", a helpful summary about colleges in the United States; and "Sportettes", a column dealing with sports. Recently added to the paper as a still other feature was the magazine supplement, *Scholastic Roto*. This year, the number of issues published rose from four to six, a number which the editor for next year, Ken Cooper, hopes to increase still further.

## VARSITY FOOTBALL

The James M. Bennett varsity football team proved this year that the Clippers were "for real."

Under the excellent coaching of Mr. Yobst, Mr. Bailey, Mr. Gallis, and Mr. Briscoe, the Clippers rolled up an impressive record of 6 wins, 2 losses, and 1 tie, plus a decisive victory over J.M.B.'s arch-rival, Wicomico High School, by the score of 20-0. The "Big Red" had a very strong team both offensively and defensively, accumulating a total of 103 points, and giving up only 46 points.

Individual statistics showed that Mike Dashiell, Bennett's galloping quarterback, was the leading ground gainer with 660 yards. Dana Malone was second with 435 yards.

With 11 returning lettermen and several promising members of an undefeated J.V. team, Bennett's gridiron future will be a success.

## CLIPPERS IN ACTION

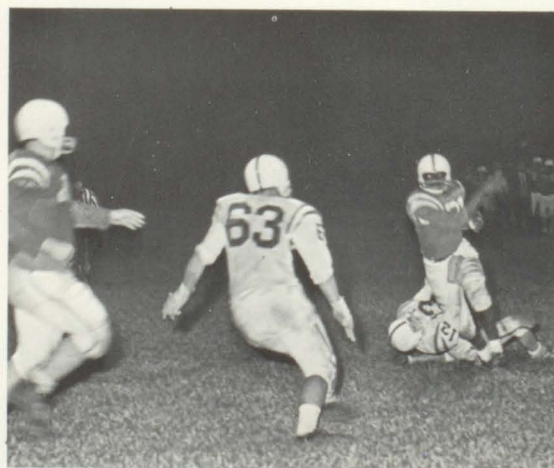

Bennett's football team relied mainly on the strong legs of the backfield for their scoring punch. With great speed and excellent blocking, the Clippers were able either to bang through the line or sweep around it. Such speedsters as quarterback Mike Dashiell and halfbacks Bill Cerniglia and John Williams made Bennett one of the fastest teams on the Eastern Shore.

## JUNIOR VARSITY FOOTBALL

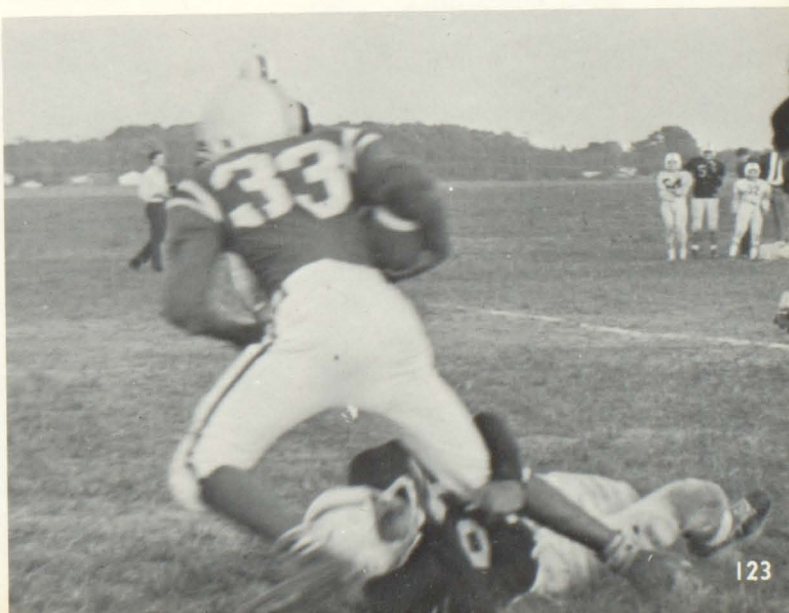

The future for James M. Bennett on the gridiron looks exceedingly bright as our Junior Varsity football team completed an undefeated season, winning 6 and tying 1. The highlights of the season were their two decisive victories over the Wi-Hi J.V.'s and the conquering of a heavier Delmar team after their first skirmish ended in a scoreless tie.

C. J. Travers, Cam Jackson, and Benjamin Cox were the leading ground gainers for the J.V.'s. A few of the players participated in some varsity games and therefore should have little difficulty in adjusting to varsity caliber next season.

Much credit should be given to Coach Gallis and Coach Briscoe, who both felt that a "team effort every game" contributed to the success of the team.

Waiting for the big chance.

Although hampered by numerous injuries, the JMB soccer team concluded its 1965 season with a creditable record of five wins and five losses. The team finished second among the county's four soccer teams, with two of the five victories overcoming Bennett's archrival WiHi. The team, coached by Mr. James Little and Mr. Edward Carey, and captained by David Smith, showed fine spirit and ability while opposing more experienced teams.

## WRESTLING

The 1965-66 season was primarily a building one for Bennett's young wrestling team. Although compiling a record of only one victory and seven defeats, Coach Briscoe was pleased as nearly every boy won at least one match. With a core of 10 returning varsity wrestlers, the team looks forward to a better season next year.

## VARSITY BASKETBALL

The Clippers' varsity basketball team ended the 1965-66 season with a disappointing record of 7 wins and 11 losses. Their main undoing was a plague of injuries which struck them during the last part of the season. The team, which was made up of eight Seniors, two Juniors, and three Sophomores, was coached by Mr. Kiley. The high scorer for the season was Roger Dillow with 248 points, followed by Terry Sullivan with 196 points. Since this was a young team, it is hard to see anything but success in the years to come.

# JUNIOR VARSITY BASKETBALL

This year's junior varsity basketball squad, under the guidance of Mr. Thomas Baily, completed a successful season compiling a record of 8 wins and 6 losses. Tom Guy was the team's consistent high scorer.

Many people fail to see the importance of a J.V. team, but in the following years these boys will make up the varsity squad, and it is certain that they will be great assets to the varsity team in the years to come.

Bennett's netters had a winning season this year with a record of 8 wins and 2 losses. The team's victims included Milford High, Caesar Rodney High, and the Towson State College Jayvees, all of whom were two-time losers to the Bennett tennis squad. The team avenged its two losses to Cambridge High last year by soundly beating this opponent 6-3 and 7-2.

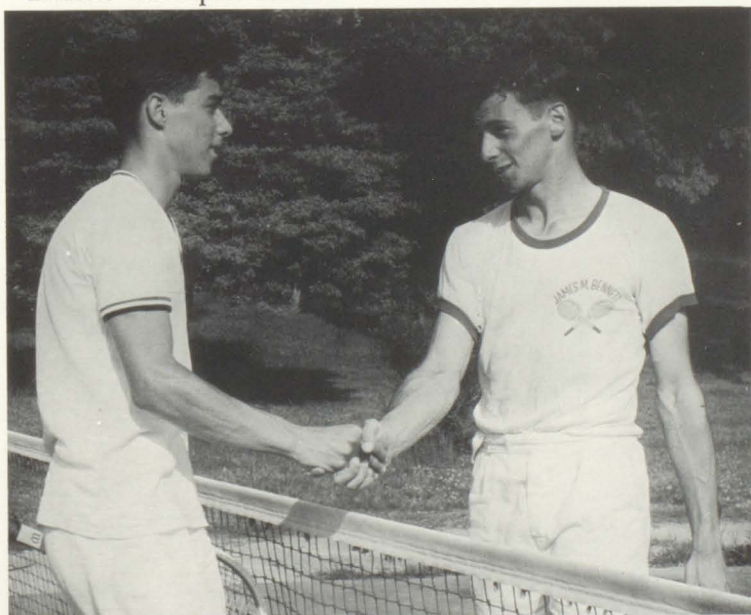

Although the two losses to WiHi marred the team's record, Brad Jarman took some of the sting out of the defeat when he overcame the highly rated Jack Stevenson 4-6, 8-6, 6-0. Another notable achievement was the unbeaten doubles record of Brad Jarman and C. J. Travers.

Next year the team will be without the services of Bernard Jarman, Glen Pearson, Brad Feig, and Bob Hush, all of whom graduated this year. But in the years to come, Bennett can expect continued success on the tennis courts.

## TENNIS

C. J. Travers displays his form.

Jarman wins a hard-played match.

FIRST ROW: Chip Strott, Sammy Deal, Charles Balam, Max Cottman, Vernon Cox, Donald Cox, Donald Corbin, Sam Carey, John Fields, Leon Burkes, Charles Odum, Henry Scott, Page Jackson; SECOND ROW: Bill Dayton, Eugene Smith, Willie Brown, Richard Elliott, Gary Pollitt, Mike Hill, Jack Belleville, Fred Spurlock, Charlie Brown, Ward Jarman, George Williams, Benjamin Cox, Cliff Wilce, John Ennis; THIRD ROW: Coach Bailey, Mike Dashiell, Andy Mitchell, Merle Nelson, Bob Hurley, Pat Boccia, Bill Cerniglia, Bill Smullen, Jeff Polk, Lonnie Russell, John Merritt, Pete Petrillo, Frank Hill.

Smith anchors, winning 880 yard relay.

## TRACK

Bennett's track team completed a highly successful season by tying for 10th place in the State Track meet. The Bennett team, coached by Mr. Bailey and Mr. Yobst, had an enviable record, being undefeated in its four dual meets. These included victories over Cambridge, Easton, Washington, and Stephen Decatur. Bennett, however, was crippled by a rash of injuries which caused poor performances by the team in the District Meet. Bennett set many outstanding records. Jeff Polk ran the 100 yard dash in 10.9 seconds, placing 3rd in that event at the State Meet and tying an existing state record; in the broad jump, his distance was 22'11/2". Eugene Smith ran the 220 yard dash in 21.4 seconds and placed 2nd in that event in the State Meet. The 880 yard relay team composed of Eugene Smith, Bill Smullen, Page Jackson, and Bill Cerniglia, tied for 4th place in the State Meet with a time of 133.9.

Since only four sprinters leave the team in June, next year's team should be even better.

Elliott wins the mile.

Jackson hands-off to Cerniglia.

Merritt continues to earn points.

Cox finishes strong.

440 yard relay team wins again.

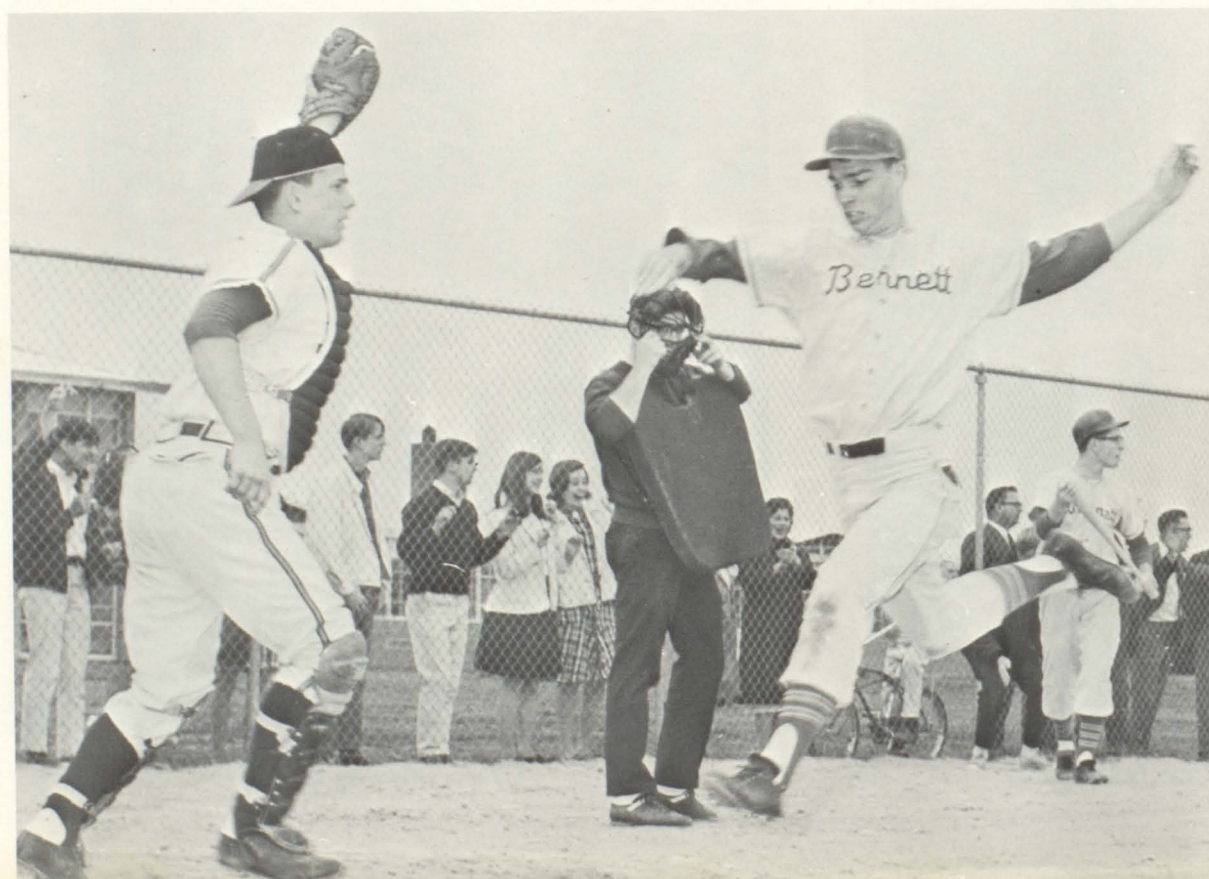

FIRST ROW: Richard Swift, Mark Jones, Ronnie Mills, Dale Pusey, Bob Givarz, Tom McGuirk, Cooper Townsend, Norman Holland, Ed Martins; SECOND ROW: Coach Carey, Rusty Evans, John Hanson, Harold Powell, Chip Holloway, Jeff Riall, Tom Landry, Tom Henderson, Buck Jones, Coach Little.

## BASEBALL

Bennett's baseball team ended a highly successful season with a record of 10 wins and two losses. One of these victories was over Wicomico High by a score of 4-2. This victory ended WiHi's 41 game winning streak. Rusty Evans, a Junior with a record of 7 wins and 2 losses, was the "winningest" pitcher. Tom Landry also supplied a helping hand later in the season and ended with a record of 2 wins and no losses. Some of the outstanding players this year were Tom Henderson, Buck Jones, Rusty Evans, and Tom Landry.

Since the majority of the team will return next year, Bennett's future on the baseball diamond looks bright.

The toll mounts . . . another run!

# HOCKEY

Fruits of Victory

This year's hockey team ended a successful season under the able first year coaching of Mrs. Delores Tucker. Sparked by the aggressive play of forward Mary Lou Manis, our girls had a satisfying 3-3-3 record—with the game to remember—a 2-0 triumph over Wi-Hi, capping the season for the graduating seniors.

"Hey—that's my knee!!"

## GIRLS' BASKETBALL

For the second year in a row, the James M. Bennett lassies had a very successful season. With hard practice and the very able coaching of Mrs. Patty Larmore, the team ended the season with 11 wins and 1 loss.

## CHEERLEADERS

"Has Bennett got the spirit?" If JMB's cheerleaders were any indication, the only possible answer for the '65-'66 sports season is "yea man!" These girls represented Bennett's best in the spirit line. Every sporting event saw them there leading the crowds to cheer the Clippers in both victory and defeat. When the events were away from Bennett, they recruited the crowd by arranging for rooter buses. In order to excite the fans, they held pep rallies for the entire student body and plastered the walls with signs. Not only did they help Bennett keep its image as a school with a lot of spirit, but they showed our teams that they really rated.

## SOFTBALL

Under the able coaching of Mrs. Patty Larmore, this year's team ended the season with a record of 3-2-1. The team's most exciting victory came when the girls collected five runs in the last inning against Wi-Hi. The team loses only two Seniors, leaving an able group of underclassmen to strengthen next year's team.

## JUNIOR-SENIOR DINNER DANCE

"Oh, the great Junior Class and the greater Senior Class!"

As the guests of the Junior Class, the Seniors were honored at the first Junior-Senior Dinner Dance. Following the dinner, entertainment was provided by Lex Lowe and Debbie Lowe, who sang a special "Ode to the Seniors." Chip Dashiell, President of the Senior Class, presented the Spirit Ball to the Juniors. Following Chip's remarks, Esther Simms read the class history. After the dinner was a dance with music by the Misfits.

Two hundred and thirteen seniors comprise Bennett's first graduating class

Parents and friends assemble at the first commencement exercise of JMB

Shake with the right hand, diploma with the left ...

Two hundred and thirteen Seniors became the first graduating class at the commencement exercise of James M. Bennett Senior High School. The program included the traditional processional and recessional to the majestic strains of "Pomp and Circumstance" and "The Coronation March"; the invocation and benediction, given by Major Robert Bagley of the Salvation Army; the singing of the class song and the Alma Mater by the Class of 1966; the welcome address given by Charles Dashiell, President of the Senior Class; and the address to the graduates, given by Mr. Charles P. Crane, chairman of the Executive Committee of the Baltimore Gas and Electric Corporation. The Seniors were presented their diplomas by Mr. William S. Moore, President of the Wicomico County Board of Education.

The many faces of the Class of '66

"We built her well—strong and sound of heavy timbers—sized and adjusted to meet the strains of her hull. A great ship, sharp, with three square rigged masts built to answer the wind. Scores of workmen, sail makers, sparmaker, and riggers, all men of action, knew the pride of making this ship grow. After she was built, others strove to make her rise to the challenge. Sheltering glorious memories, we had built her with spirit. We will always remember well this spirit that bound our building, and the friendships where thoughts, desires and expectations were born and shared. Between us there was a bond of the sea. This ship had her own future, full of hope, superior in size—the greatest, swiftest and the most beautiful craft ever seen, to sail on forever in the hearts of all those who thrill to a challenge. This ship is ready. Patiently has the wind awaited the preparation of the ship, but now it waits no longer. We are ready. It was only yesterday we met. Tomorrow will find us gone, but we will remember well the things we left behind. And we will meet again at a different time with greater understanding."

Congratulations to the First Graduating Class of James M. Bennett Senior High School . . . Class of '66!

The Parent-Teacher Association of your fine school is sincerely proud to have been a part of your high school years. We try not to remember those first few months of doubt about a new senior high school . . . but we shall always remember the following months as you gradually accepted James M. Bennett as the finest high school in our great educational system.

We shall always remember your exciting, faithful school spirit . . . your hard-fought victories . . . your many, many accomplishments . . . your outstanding scholastic achievements. You have been a class working harder, together, to make "Little Jimmy Bennett" grow up to highest recognition.

On behalf of the James M. Bennett Parent-Teacher Association, I wish you smooth-sailing wherever your voyage may take you. Do keep your sails fullset in the future, as you always have in the days at Bennett High.

Sincerely,

A handwritten signature in cursive script that reads "Howard Wingate". The signature is fluid and elegant, with a large initial 'H' and a long, sweeping tail on the 'e'.

Howard Wingate

During the past year you have seen "yearbook people" wandering the halls with their photographer trailing behind, many club members taken out of class for group shots (over and over again!), and maybe even the photographer visiting your class to get a candid shot of you doing a math problem incorrectly! These are only a few of the more obvious duties of the yearbook staff. Behind the scenes, workers stay after school daily to crop and identify pictures, write copy and maybe even shed a few tears.

In this, our first volume of the *Voyager*, we, the editors and staff, hope that our efforts have been rewarded and that the students of Bennett High will fondly keep the 1966 *Voyager* as a memory of a wonderful year.

The editorial staff of the *Voyager* would like to thank the following people for their co-operation and assistance in publishing the first yearbook: Mr. Carl W. Dumire, for allowing us to take class time for photography; David Lank and Mike Dixon for taking and developing pictures; and all the others who have helped us during the year with little or no thanks. We would like to extend a warm "thanks" to Mrs. Streib, our advisor, who gave of her valuable time to guide us and to make our yearbook possible.

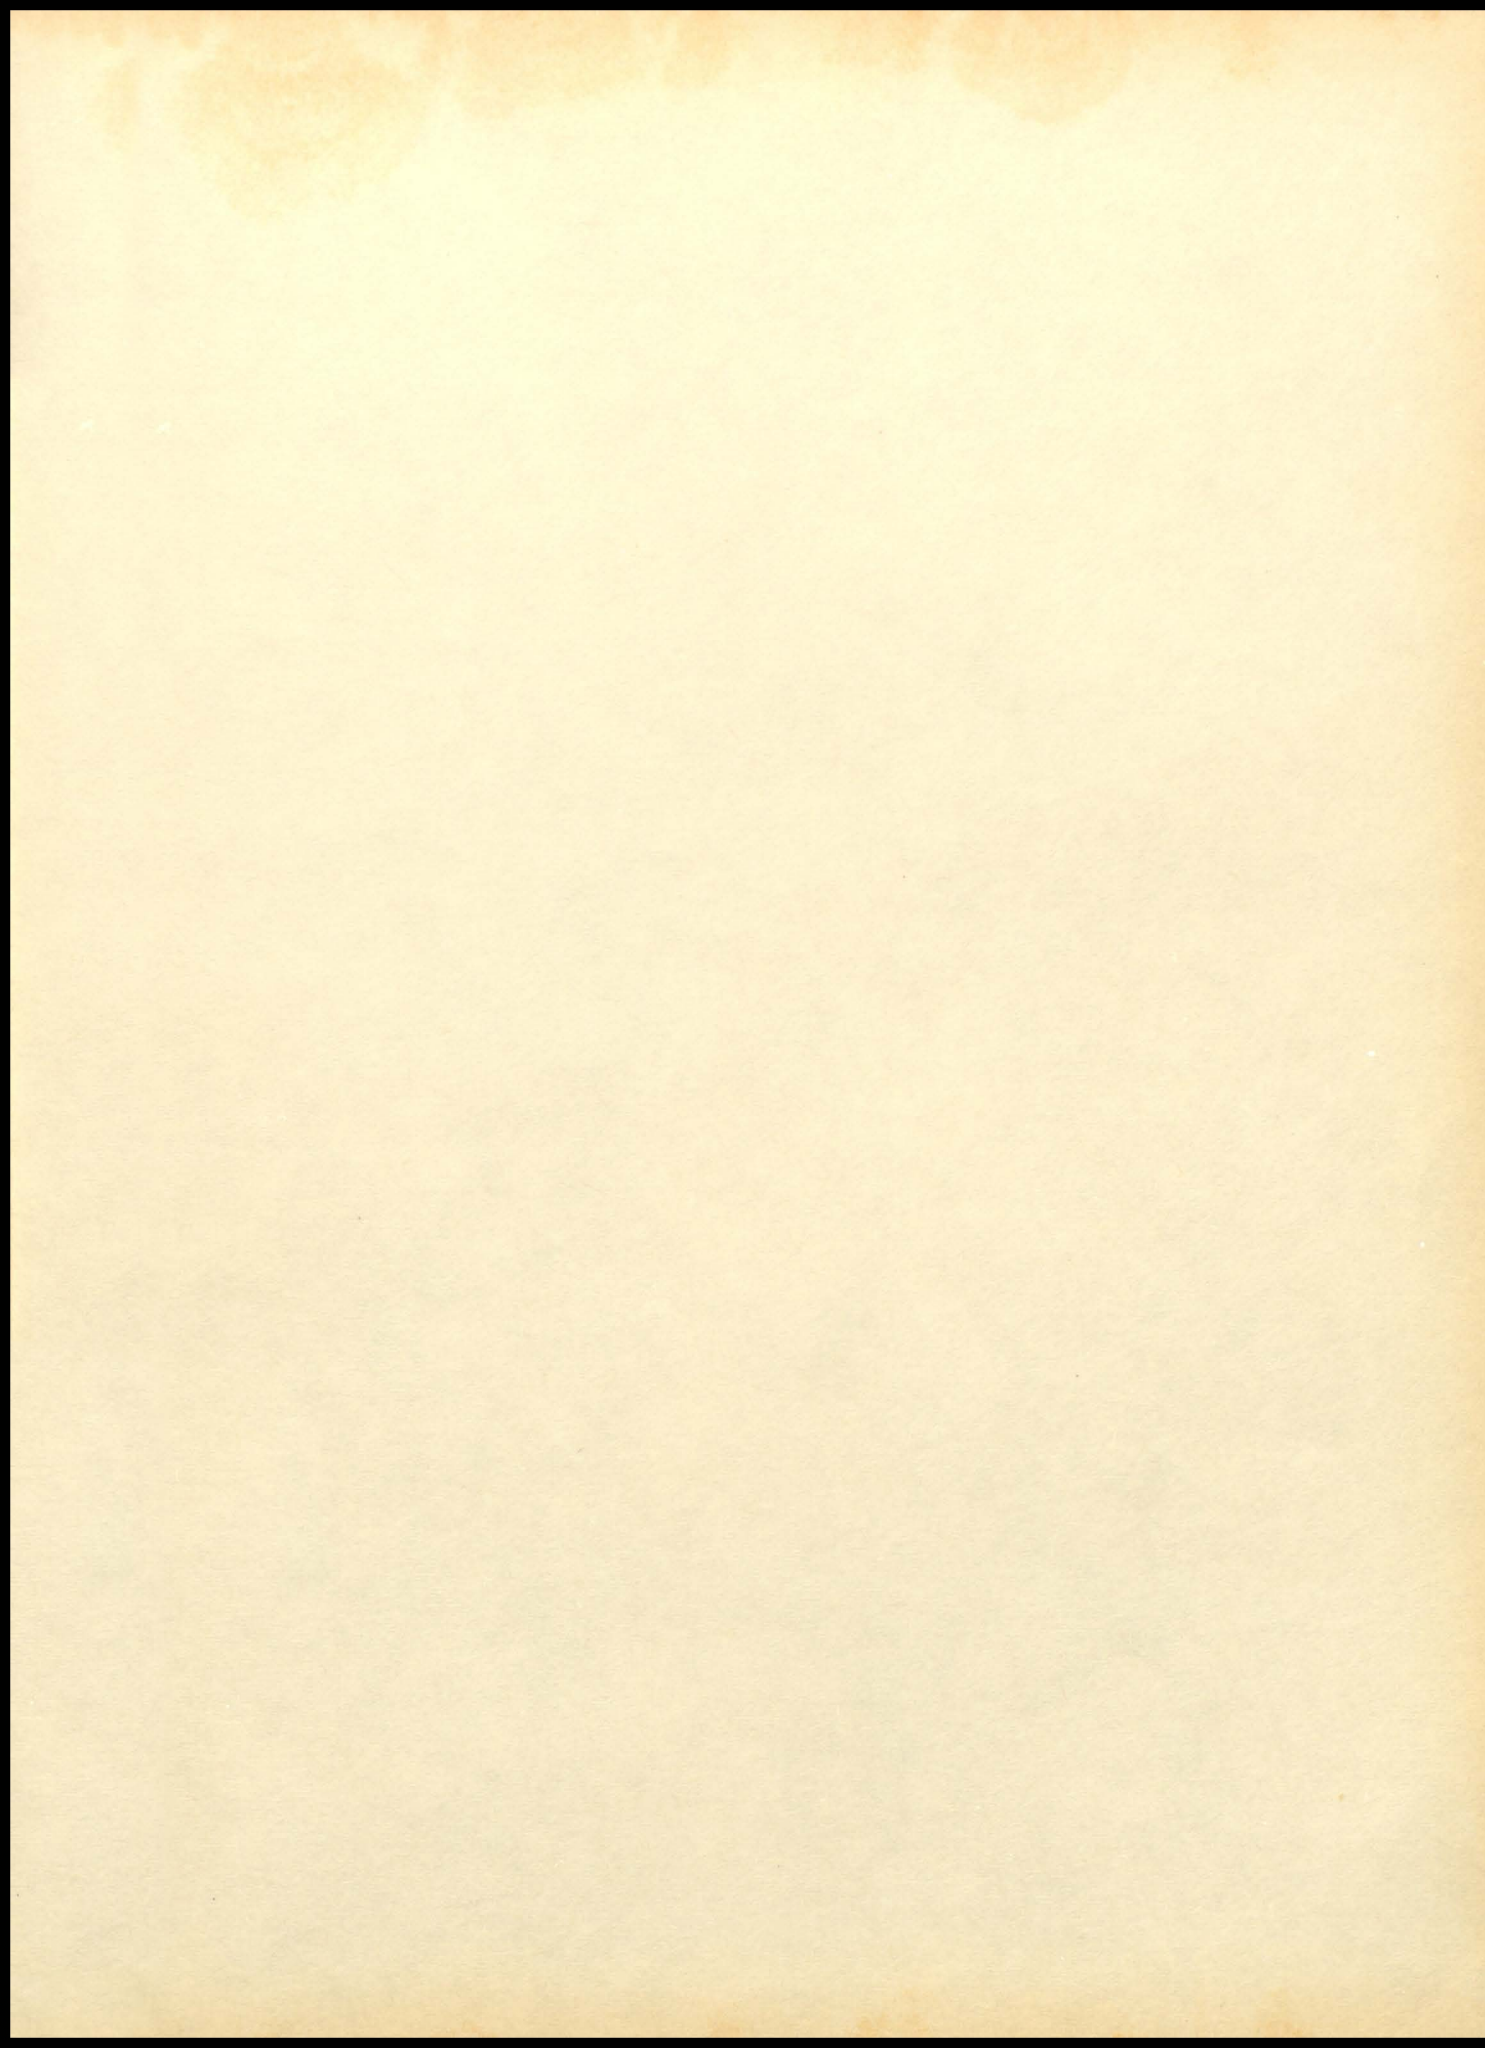

In years to come, we will return to find many more volumes of the *Voyager* on the shelves in our library, probably bigger and, we hope, better than this one, but for the class of '66, this volume will be still another *first* for James M. Bennett Senior High School.
